Categories

Projects can be commercial or residential in the following categories:

Metal Building Systems Buildings
Metal Roofing (new construction)
Metal Roofing (retrofit)
Metal Walls (new construction)
Metal Walls (retrofit)
Metal Craftsmanship
Best overall project (will be chosen from an entry in one of the above categories)

Metal Craftsmanship

Metal Craftsmanship entries will be judged on the quality of the work. Entries should include metal on architectural projects and not include sculptures or manufacturing pieces.

Prizes

All winners will be featured in the December 2021 issue of *Metal Construction News* and receive a plaque commemorating their achievements.

Deadline

Entries must be received by **September 17, 2021.**

Project Eligibility

Projects must have been completed after January 1, 2020. For submissions in the metal building systems buildings category, please include the metal building manufacturer.

Images

Digital images may be submitted by email or uploaded to a file share site. A minimum of three photos must accompany each entry though more are welcome and encouraged. Please do not submit more than 12 images.

Quality photography increases the chances of a project receiving stronger consideration, but please limit the image files to 1.5 MB each.

Rights to all images must be transferable for *Metal Construction News's* use in print and electronic media. For the complete "Photo Submission Terms of Agreement," go to <https://www.metalarchitecture.com/media/archive/Photo-Submission-Guidelines.pdf>.

Photo credit information should be provided if required for publication.

Additional Information

All submitted materials become the property of *Metal Construction News* with the express understanding they will never be loaned or given to third parties without the submitter's knowledge or permission.

Acknowledgement of submissions will not be provided because of the number of entries received.

Entries will not be returned.

Judging Criteria

Projects may be judged in multiple categories, but no project can be named a winner or honorable mention in more than one category.

The projects will be judged by representatives of the metal construction industry.

Submission Options

Complete the entry form and submit along with images via email or by posting to a file share site. If you have additional information about the project—press releases or write-ups—or need more space to complete the form, it can be submitted as a PDF or Word document. We appreciate any additional details about the project!

Project photos and submission forms can be submitted over email to mrobins@modernttrade.com. Files may also be submitted via file share site. Send download instructions with the entry form if you are sharing with your account. To use our MCN account, please send an email to Mark Robins, mrobins@modernttrade.com, to receive upload instructions. **Note:** Submittals on our site will be visible to other users.

Note: Handwritten or faxed entry forms may be rejected.
